

Admissions - Entrance examinations at FHS UP for the Academic Year 2020/2021:

Bachelor's study programmes: Physiotherapy

1. Expected term of entrance examination:

Entrance examinations are assumed to take place up to July 31st, 2020, in accordance with the terms agreed on with foreign agencies. The terms will be published on websites of both FHS UP and the individual agencies.

2. Application submission: till June 30th, 2020

The application is submitted in an electronic form, applicants must pay the administration fee and download attachments proving that they meet the conditions, i.e. certificate of a complete secondary education or the study in the last year of secondary school, certificate of a language examination, respectively*, **. The original document proving the completed secondary education will be submitted on the day of the enrolment at the latest.

3. Conditions for admissions without entrance examination: not specified

4. Bonus points for secondary school results: not specified

5. Form of the entrance examination:

The entrance examination consists of two rounds. Round 1 has two written tests from somatology and human biology, and natural sciences. Round 2 has written and oral examinations of English language proficiency*, **. To succeed an applicant must achieve the minimum points in each part of written and oral part of the test (see the Table below). There are no bonus points for secondary school results added to entrance examination results.

6. Prerequisites for enrolment, suggested number of students enrolled (SSE), course of entrance examination and evaluation criteria:

Study programme	Form of study	Prerequisites for enrolment	Form of the entrance exam Two-round	Number of points to achieve to pass the entrance exam	Time limit	Evaluation of the entrance exam
Physiotherapy SSE = 12-16	Full-time	completed secondary education meeting the requirements of the entrance exam	<p>Round 1 (2 parts):</p> <p>Written test Part I. somatology/ human biology (50 questions)</p> <p>Part II. natural sciences (30 questions)</p> <p>Only those who succeed in Round I take part in Round II</p> <p>Round 2 (2 parts):</p> <p>Part I. Written test * English language proficiency **</p> <p>Part II. Interview Understanding and comprehension of spoken English, communication skills, socio-cultural overview of the Czech Republic (5 questions)</p>	<p>Part I. max. 50 points (100%) min. 15 points (30%)</p> <p>Part II. max. 30 points (100%) min. 9 points (30%)</p> <p>Part I. Written test max. 50 points (100%) min. 35 points (70%)</p> <p>Part II. Interview max. 10 points (100%) min. 7 points (70%)</p>	<p>100 minutes</p> <p>30 minutes</p> <p>10 minutes</p>	<p>1 point for each correct answer</p> <p>Maximum is 50 points, minimum is 35 points, i.e.70%.</p> <p>Each question is awarded up to 2 points.</p> <p>Maximum is 10 points, minimum is 7 points, i.e.70%</p>

* Native speakers or non-native speakers that present evidence of completed education in the English language do not have to take the written part of Round II.

** In case an applicant has already passed an internationally respected language test and achieved the minimum level B1 according to CEFR: PET/FCE Cambridge exam, BULATS score 60, IELTS 5 (min 4 from each part), or TOEFL iBT – 40, he/she supplies the evidence of such examination and then he/she is not obligated to take the written part of Round II.

An applicant who does not have to take a written part of Round II (see the conditions specified above) is given maximum points to be achieved in the written part of Round II.

The resulting order of applicants is given by a total sum of points achieved in Round I and Round II. In each part of the exam the minimum points must be achieved. Applicants who do not achieve at least minimum number of points in Round I do not advance to Round II. Only those who succeed in the written part of Round II advance to the Interview.
