

Checking the Course of Study for the Academic Year 2025/2026

The deadline for the completion of study requirements for the academic year 2025/2026 is

4th September 2026

By this date, students are required to finish their courses and receive a minimum of 40 credits in order to pass to the next academic year. After completing exams, log in to STAG, go to the section Course of Study and click on “Check results and register for academic year 2026/2027”. Then tick off the “I confirm I have checked the Registration form A” (found below on the STAG page). By confirming, students proclaim that they agree with the data in STAG and will register again for any unfinished courses in the next academic year.

The screenshot shows the 'Study Agenda' interface for user 'SEHNLU01'. The 'My study' section is active, displaying 'Study results (S013) - 222924'. A green box highlights the button 'Check results and register for academic year 2023/2024'. Below this, there are sections for 'Documents' and 'Courses completion (C010) - 222924'. A table lists various courses with their status and dates.
