

Information for Students in the final year of study **study programme of Physiotherapy**

Final state examination and the defence of bachelor theses were set for days:

10. 06. – 12. 06. 2024

The deadline for checking the fulfilment of study obligations before the final state exam is **10. 05. 2024**. Students will submit a signed **Registration Form A** for the academic year 2023/2024 to the Student Affairs Office for checking. Students cannot participate in the final state exam without the check of their study obligations.

Immediately after the final state exam, graduates come to the Student Affairs Office to receive a certificate of successful completion of their studies and register for the graduation ceremony.
