We warmly invite you to join **the conference with international participation**

PER SALUTEM CONIUNGERE I.

Innovation, Methods, and Research with Implications for Clinical Practice

September 11, 2025 with focus on non-medical healthcare professions

Lecture Hall, 2nd Department of Internal Medicine, University Hospital Olomouc (Zdravotníků Street 7)
Classrooms of the UP Faculty of Medicine (Hněvotínská 3, Olomouc)

The conference is intended for healthcare professionals, students, and educators in non-medical healthcare fields, especially those with a focus on nursing and patient care innovation.

The conference will include a **student section for doctoral studies** in non-medical fields, which will take place on September 12, 2025

Among the distinguished international guests in the field of nursing, we will welcome **Prof. Alison Machin and Assoc. Prof. Jane Greaves from Northumbria University, UK and Dr. Lior Naamati Schneider from Jerusalem Multidisciplinary College (Israel).**

Conference topics:

Evidence-based practice ■ New trends in nursing and other non-medical fields ■ Research in nursing and other non-medical fields ■ Education in nursing and other non-medical fields ■ Nursing in neurology ■ Varia

Form of active participation: oral presentation of the contribution (10 minutes)

Official languages: Czech, Slovak, English

Important dates:

- Online registration: **April 20, 2025**
- Abstract submission for presentations: **June 20, 2025**
- Registration for active participation: **June 20, 2025**
- Registration for passive participation: **July 20, 2025** (with the option of participating via online streaming)
- Payment of the registration fee: **July 25, 2025**

Instructions for authors:

Participants who want to make an oral presentation are, required to submit a structured abstract in English, using the template provided in the electronic registration form. Along with the submitted contribution, a signed licensing agreement for including the abstract in the peer-reviewed proceedings must also be submitted. This is also part of the electronic registration form. The abstract and the signed, scanned agreement should then be sent to the email address provided in the electronic registration form.

Instructions for authors of the doctoral student section on September 12:

Students of full-time and combined doctoral programs in non-medical fields may apply. Active participation is allowed only for students with the approval of their supervisor. The supervisor's recommendation should be sent together with the abstract and licensing agreement to the email address provided in the electronic registration form.
